

FOR IMMEDIATE RELEASE

Friday, March 13, 2020 | Maumee, OH

Dear Valued Customer,

As we closely monitor the development and impact of the Coronavirus (COVID-19), I wanted to reach out to you personally about what we are doing here at SSC to support our customers and employees.

All of our manufacturing and service center locations remain open and fully operational at this time, as we continue to provide you with uniquely better customer service and product selection. We are taking extra precautions to protect our team and our communities through enhanced cleaning procedures and processes to help reduce the spread of the virus.

At SSC, we believe it is in challenging times that the power of exceptional service and support is needed most of all. Whether you just recently placed an order or will be in the future, the SSC team is ready to support you.

Sincerely,

Matt McAlear, CEO
Service Spring Corp.
